Crafting Day

Tuesday, June 20, 2017, 4:00-5:30pm

Has it been a long time since you flexed your creative muscles? Do you find relaxation in coloring books? Are you longing for an excuse to break out the glue sticks, scissors, and markers? Join us for a special crafting time for grown-ups!

- Create your own small books
 - Design duct tape accessories like roses, bracelets, wallets, phone covers, coasters...
 - Paint rocks for a social media “scavenger hunt”
 - Try out 3D drawing software on the library laptops
- We'll show you how!

Geek Out Day

Tuesday, July 11, 2017, 4:00-5:30pm

Let out your inner tech geek! Experiment and play around with robots, coding, image editing, 3D drawing, electrical circuits, and soldering. *We'll show you how!* Chat with us about the things you like to hack, make, and do.
